FORTY-SEVENTH ANNUAL REPORT
OF THE
ASSOCIATION FOR THE RELIEF OF
RESPECTABLE
AGED INDIGENT FEMALES.

THE Board of Managers of this Association sincerely regret to have to announce the resignation of their highly-esteemed friend, Mrs. Van Antwerp, the former Secretary. For many years she has filled this office most efficiently, and to her pen we owe the satisfactory and beautiful manner in which the Annual Reports have been presented to the public. In memory of her great capacity, the present Secretary asks the indulgence of our Patrons, for inexperience; and will therefore confine herself mainly to a statement of facts; trusting that all errors may be kindly overlooked.

The following inmates have been removed by death during the past year, viz.:

Mrs. MARY PENDERGAST, aged 83.	An inmate 13 years;
Mrs. DEBORAH HOFFMIRE, " 69.	" 5 "
Mrs. ELIZABETH RODGERS, " 72.	" 8 "
Mrs. HANNAH DONALDSON, " 80.	" 14 "

and each we trust with the full assurance of entering upon that "Rest" which remaineth for the "people of God."

The present number of inmates is 93, of which five have been admitted during the past year, while many approved,

still remain upon the list of the Committee for receiving applications, unprovided for; thus proving the urgent necessity of a more commodious building.

We have also assisted in various ways 75 outdoor Pensioners, since the date of the last Report, and much is due the members of the various Committees for the faithful manner in which they have attended to their several duties.

Several instances have been presented to the Managers, of persons being prejudiced against the Asylum by malicious reports issuing from falsifying inmates, tending very much to injure the Association in the public esteem; we would therefore respectfully request that reports of this nature be received with caution, and the public are earnestly requested to visit the Asylum, and judge for themselves. We feel assured they cannot fail to be satisfied with all the arrangements, and convinced of its great utility.

We would call attention to the fact that many errors have occurred in the list of subscribers. Amounts appear as subscribed which have not actually been received. It is to be hoped that mistakes of this kind will not occur again, as the managers have carefully corrected the report.

Sometime since an excellent lady, visiting the Asylum in company with one of the managers, expressed much feeling in regard to the limited accommodation of the infirmary; suggesting the enlargement of the same, or the building of a new one, at the same time kindly donating \$300 for that purpose. This seemed to be at once an opening for the carrying out of our long-desired project of building a new Asylum.

In regard to the new building, the Board of Managers have already issued Circulars, descriptive of the plans and appealing to the public for aid. The managers have untiringly labored in soliciting assistance to complete the sum required; the result of which will be seen in the annexed statement. It is estimated that the cost of the new building will be about \$50,000, without any pretensions to ornamental architecture.

It is proposed that the new Asylum shall be commodious, sufficiently so to accommodate 150 inmates, and at the same time containing every modern convenience, with especial advantages for the sick and infirm.

Considering the consequent increase of expenses, it is proposed that the income of the proceeds of the sale of the building now occupied, be used for the current expenses of the new Asylum, and the fund named the Astor and Stuyvesant Donation.

The Board of Managers make an earnest appeal to all friends of the Association for pecuniary aid, feeling confident that could they understand the urgent necessity of a larger building, they would freely contribute to the relief of the many applicants whom we are at present unable to accommodate, or otherwise relieve, and to the comfort of our present family.

The Board of Managers gratefully acknowledge the gratuitous services of the Physicians, Drs. Cooper, Bibbins, and Watson, and further earnestly thank those whom God has led to deal generously with our Association.

We close this report and appeal with a deep sense of gratitude to our Heavenly Father for His mercies in the time past, and with a fervent prayer for His blessing in time to come. May the remembrance of His mercies arouse us all to greater diligence in the performance of the work before us.
